

SCRR230

82.63" x 29" x 32.25" (H x W x D)

Commercially approved 23 cu.ft. reach-in refrigerator in complete stainless steel; replaces SCRI230

Highlights:

Complete construction in durable 304 grade stainless steel

Self-closing door is ideal for busy settings and will stay open when pulled to 90° for easy loading

Digital thermostat with external readout for easy and accurate temperature control

Product Features:

Complete stainless steel construction	Simple to clean and built to last
Commercially approved	ETL-S listed to NSF standards for commercial use
Frost-free operation	No-frost system simplifies maintenance
Self-closing door	Closes to save energy but will remain open when the door is opened at a 90° angle
6 inch casters	Self-locking casters for portability and more sanitary cleanup
Adjustable shelves	Slide-out shelves can sit on any level inside the refrigerator
Digital thermostat	Easy push buttons and an external temperature readout for precise temperature management
Front-mounted lock	Keep contents secure with a key lock on the door
Interior light	Automatically illuminates when you open the door

SCRR230 Specifications:
